Experience the Equestrian Lifestyle

The National Polo Center – Wellington (NPC) is located in the heart of South Florida’s legendary horse country. The perpetual home for polo in America, NPC is owned and managed by the United States Polo Association to showcase the finest the sport has to offer. The Association’s premiere event, the Gauntlet of Polo®, takes place from February to April each winter season showcasing the world’s preeminent teams, professional athletes and finest horses which come together for three months to battle head-to-head for the coveted C.V. Whitney Cup®, USPA Gold Cup® and U.S. Open Polo Championship® trophies. Throughout the year, the facilities are also used to showcase USPA Member Clubs and prestigious national tournament competition.

Facility Amenities Expanded

Our tennis program has grown tremendously over the last year with the addition of Tennis Instructor, Scott Williams. The 2024 season looks to bring on more competitive teams, tournaments, and classes for our members. Members are able to participate in classes, book private and semi-private instruction, and participate in events locally and around the world.

Our fitness facilities include our gym within the spa facility and classes with our specialized instructors. Some of these classes include yoga, pilates, pool pilates, and yogaltes.

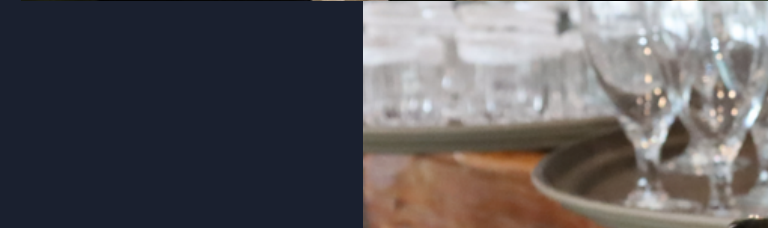

The Spa at NPC has been recently upgraded to meet the needs of all our members. Our spa menu features specialized massages, facials, chiropractic services, waxing, and acupuncture services with our expert care team.

Member Events

Apart from the member amenities, the Polo Club at NPC hosts a variety of Member-Only events throughout the season. Here are few of the events the club hosted in 2023:
